* Based on 2000 US Census County Data for Adults 18 +

** Based on 2000 US Census County Data for Adults 18-64

***Counties that would lose money if it were allocated based on need, were held harmless during this funding cycle at 86% of its total FY07 allocation.

Counties that would gain money if allocated based on need, were allocated at 70% of the higher (needs-based) amount during this funding cycle.

Those counties that would lose money if allocated based on 70% of need, were funded at the (higher) 86% hold harmless level. (This includes Graham, Greenlee, Maricopa, Mohave.)
